

March 1, 2019

The [Nevada City Rancheria Nisenan](#) and supporting non-profit [California Heritage: Indigenous Research Project](#), (CHIRP) will soon approach the Nevada County Board of Supervisors for a resolution in support of their quest for the restoration of their Federal recognition. Garnering local support is the first and most important step in the campaign. They will then approach our state and federal legislators including Sen. Harris and Sen. Feinstein, to seek their support in passing legislation for the Tribe to be reinstated as a Federally recognized and sovereign entity.

Below are letters for Nevada County Board of Supervisors and Federal Senators, addressed from individuals as well as from organizations. If you would like to show your support in a meaningful way, please print and sign one each for your individual supervisor ([click here for a map](#) to find the specific one that represents your district in our county), Sen. Harris, and Sen. Feinstein.

For the supervisor letter, please address to the party who will receive it (your supervisor [Dear Supervisor \_\_\_\_\_]). The letters to Senators can be signed by all California voters!

**Please add to supervisor and senator letters:**

- **date**
- **your printed name**
- **your full mailing address**
- **your signature**

**AND mail your letters to:**

**CHIRP**

**P. O. Box 2624**

**Nevada City, CA 95959**

DO NOT MAIL YOUR LETTERS TO THE SUPERVISOR AND SENATORS.....

as all letters will all be collected and turned in to each recipient by the Tribe.

DO NOT ALTER THE WORDING OF THE LETTERS which the Tribe has approved.

**Please share this letter with your friends, family, co-workers.** Also, the Nevada City Rancheria Nisenan Spokesperson and CHIRP Executive Director, Shelly Covert, would like to do more educational outreach in the various districts, so any ideas that can help them do that should be passed on to CHIRP.
